[Google Patent Search Help](#)The following words are very common and were not included in your search: **a from**. [\[details\]](#)

Patents

Patents 1 - 10 on received a report from network communication. (0.70 seconds)

Time-aware best-effort hole-filling retry method and system for network communications

US Pat. 7076717 - Filed Jun 13, 2003 - Microsoft Corporation

It increases the efficiency of **communication**—especially for conditions where a large amount of data is pouring one-way across the **network**. ...

Mobile communication system, mobile unit and network host processor

US Pat. 7047003 - Filed Jun 27, 2003 - Mitsubishi Denki Kabushiki Kaisha

In the case where low, the operations of the **network** host processor 10 having a cell having the highest **communication** level among a **received** the **report** on ...

Network communications system manager

US Pat. 6192414 - Filed Jan 27, 1998 - Moore Products Co.

__, Tr then reports the **network** connection health to a health **report**, ... 22 then calls a health manager 42. request has been **received** the **network** manager ...

System and method for monitoring a computer system process or peripheral

US Pat. 6785015 - Filed Nov 12, 1999 - Hewlett-Packard Development Company, L.P.

When **report** publication and delivery criteria are met, this user will receive a **report** by **network** **communication**. In other words, the subscription remains in ...

Method and apparatus for providing secure network communications

US Pat. 5935245 - Filed Apr 29, 1997 - 3Com Corporation

When an unverified packet is **received**, a **report** may optionally be generated to either a higher layer protocol or to a security server on the **network**. FIG. ...

Method and apparatus for performing coverage control for multicast services in a wireless network

US Pat. 6633765 - Filed Aug 28, 2000 - Qualcomm, Incorporated

The apparatus of claim 15 wherein said membership **report** is not ... said **received** multicast group; and a second wireless **communication** device for receiving ...

System and method for distributively propagating revisions through a communications network ...

US Pat. 5706431 - Filed Dec 29, 1995 - AT&T

For example, if the **received** status **report** indicates elated via conventional **communication** links 405 and 410. that client node 120a includes version 1.0 of ...

Methods, systems and devices for cascaded communications

US Pat. 6622005 - Filed Mar 3, 2000 - Ericsson Inc.

The **received** Performance **Report** Message is revised such that a value of a ... cascade by respective Integrated Services Digital **Network** (ISDN) control (D) ...

Wide area communications network for remote data generating stations

US Pat. 6373399 - Filed Oct 13, 2000 - Itron, Inc.

The wide area communications **network** of claim wherein the a certain fixed receiving

station transmits a **report** related to the **received** and collated reports ...

Network communications coupler

US Pat. 6810430 - Filed Sep 29, 2000 - ABB Automation Inc.

Import XR database 68 holds current value, quality, status and timestamp for
exception 50 **report** points which are being **received** from the control **network** ...
